

Young Agrarians U-Map Privacy Policy Terms & Conditions

By adding a resource to the Young Agrarians U-Map and clicking submit, you are agreeing that the information you are providing is true and correct.

Young Agrarians (YA) is a partnership with FarmFolk CityFolk Society (FFCF). YA / FFCF respects the privacy of our online community. We will not trade or sell your contact information. The following will inform you of the information that we may collect from you, and how it is used. By using the Young Agrarians U-Map, you are accepting the practices described in this policy.

1. What information is YA/FFCF collecting?

We collect non-personal information such as the domain name, IP address, Internet browser, operating systems and pages visited by users. This information is anonymous and not connected to you personally.

When you add a Resource to the U-Map, YA/FFCF is collecting personal information that can be used to identify you individually, such as your name, mailing address, phone number and email address.

2. How and when does YA/FFCF collect this information?

We collect personal information from you only when you provide it. For example, if you create a listing on the Young Agrarians U-Map, we may collect your name, mailing address, telephone number, and email address. If you create an account, we may collect your name, mailing address, email address, and other information that we request in the registration process.

If you communicate with us regarding our website or our services, we will collect any information that you provide to us in any such communication.

3. How is my information used?

We use personal information primarily for our own internal purposes, such as fulfilling requests for information, providing customer support, and maintaining, evaluating, and improving our services and website.

We use non-personal information for internal purposes, such as

maintaining, evaluating, and improving our services and website. From time to time we may also use non-personal information for online marketing efforts.

For users listing land opportunities or farmers looking for land on the Young Agrarians U-Map we may contact you to discuss your land opportunity, or find out more about what type of land you are looking for.

4. Security

The security of your personal information is important to us. When you enter sensitive information on our registration and contact forms, we encrypt that information using secure socket layer technology (SSL).

We follow generally accepted industry standards to protect personal information submitted to us, both during transmission and once we receive it. However, no method of transmission over the Internet, or method of electronic storage, is 100% secure. Therefore, while we strive to use commercially acceptable means to protect your personal information, we cannot guarantee its absolute security.

5. Do you use cookies?

Yes. A cookie is a small piece of data that is sent to your Internet browser from a web server and stored on your computer's hard drive. Cookies are often used to provide you with a customized experience. At no time is any personal information stored within one of our cookies. Accepting cookies through your browser is a personal choice. You can still enjoy our website if you choose not to accept cookies.

6. Will YA/FFCF disclose the information we collect to outside third parties?

We will not sell or otherwise provide the information we collect to outside third parties for the purpose of direct or indirect email marketing.

We will disclose personal information and/or an IP address, when required by law or in the good-faith belief that such action is necessary to:

Cooperate with the investigations of purported unlawful activities and conform to the edicts of the law or comply with legal process

served on our organization;

Protect and defend the rights or property of our website and related properties;

Identify persons who may be violating the law, the rights of third parties, or otherwise misusing the our website or its related properties.

7. Does this Privacy Policy apply when I access third party Web sites?

You may access third-party Websites directly from our Web site. This Privacy Policy does not apply when you access such Web sites. We cannot control how third parties may use personal information you disclose to them, so you should carefully review the privacy policy of any third-party Websites you visit before using it or disclosing your personal information to its' provider.

8. What safeguards are in place?

We are obligated to protect your personal information by making reasonable security arrangements against such risks as unauthorized access, use, collection, disclosure or disposal. Security measures have been integrated into the design, implementation, and day-to-day operating practices as part of our commitment to protect the personal information it holds.

9. What else should I know about my privacy when online?

Please keep in mind that whenever you voluntarily disclose personal information online - for example through e-mail, posting a listing, or elsewhere - that information can be collected and used by others. In short, if you post personal information online that is accessible to the public, you may receive unsolicited messages from other parties in return.

Ultimately, you are solely responsible for maintaining the privacy of your personal information. Please be careful and responsible whenever you are online.

Consent to this Agreement

By using the Young Agrarians U-Map, you consent to the collection and use of information as specified above. If we make changes to our Privacy Policy, we will post changes on this page.
